**Subject:** TCEQ briefing of Toby Baker on Texas BART FIP

As I mentioned yesterday, TCEQ staff briefed the Executive Director, Toby Baker and Stephanie. They decided that TCEQ would have a conference call with the impacted companies to discuss what we are thinking regarding the rule change.

They are going to try to set up the meeting soon but will try to have it after the briefing with David on Monday.

I asked if they wanted us at the meeting. She said no, that Toby asked that TCEQ staff handle the call.

Donna Huff said she would let me know when the meeting was scheduled.
